**REQUEST FOR APPLICATION FEE WAIVER**

Dear Admissions Committee,

I hope this message finds you well. I am writing to express my enthusiastic interest in the Master's Degree program in Computer Science at University of Indonesia. As I prepare my application, I am reaching out to inquire about the possibility of receiving an application fee waiver.

Due to my current financial circumstances, I am facing some constraints in meeting the application fee requirement. However, my passion for furthering my education in computer science remains unwavering. I firmly believe that University of Indonesia is the ideal institution to help me achieve my academic and career goals.

I kindly request your consideration for an application fee waiver to alleviate the financial burden associated with the application process. Your assistance in this matter would greatly facilitate my ability to submit a comprehensive application and demonstrate my qualifications for admission to the program.

I am more than willing to provide any additional documentation or information required to support my request. Your understanding and support are sincerely appreciated.

Thank you for considering my request. I eagerly anticipate the opportunity to contribute to the vibrant academic community at University of Indonesia.

Warm regards,

Haruna A Baldeh
